40-inch screen (measured diagonally from corner to corner): a good size for a living room or a large bedroom. LED TVs work well in all lighting conditions: They also provide deep black and rich colors.1080p resolution for stunning hd images: Watch Blu-ray movies and 1080p HD content at the highest level detail.60Hz speed update: 8ms response time to update images helps reduce blurry during fast motion scenes. Smart TV provides a huge world of entertainment: Connect to the Internet and access more than 2,000 streaming channels and over 250,000 movies and TV shows. Built-in Wi-Fi connects to a wireless home network. A personalized home screen keeps navigation simple: puts your favorite on-air TV, streaming channels and devices such as a game console and Blu-ray player in one place for easy access without the tricky input switch. Drop your entertainment from your smartphone to your TV screen: drop your personal photos, videos and music from your smartphone in just a few taps. With Netflix and YouTube apps, send movies, shows and more directly to Roku TV. Wireless Connection: Provides fast and reliable streaming with dual-explained Wi-Fi.Enjoy image from multiple angles: Wide viewing angle 178 provides a clear image for viewers sitting next to the side of the screen. View management for your kids: A built-in V-chip allows you to block content based on program ratings and check ratings of unfamiliar programs. Two 8W Speakers: For good quality TV sound.2 HDMI inputs for your home theater connection: High-speed HDMI provides HD image and digital surround sound in 1 convenient cable. HDMI cable is sold separately. Web services and content require high-speed Internet. Some services may need to subscribe. © 1996-2014, Amazon.com, Inc. or its subsidiaries 0600603212352, 0600603198175060060603212352, 0600603198175Digital Audio Optical TOSLINK, Stereo Audio L/R R RCA, Digital Audio Coaxial RCA, USB, HDMIWall Mountable, HDTV Included, Ethernet Port, Jack Headphones, Flat ScreenThis item does not belong on this page.
